My dear Sir

With reference to your letter overleaf, which I return for ready reference, I desire to say that I sent for Hanumal Row this morning. He is in good health & need not be granted a Certificate of physical unfitness.

His habits of intemperance are Capable of being Cured, but whether they will be or not it is impossible for me to say.

I would suggest that he may be granted the furlough to which he is entitled, at the end of which he may be retired if necessary.

Herewith I send you the papers relating to Mr Nankivel Rao - the copy of the Council Resolution regarding him will be sent to you presently - He seems to be all right now - If anything should come to light against him at Bangalore, he would be got hold of by the Chittaldroog Superintendent. What a pity that such a good & clever man should have failed us at a time when the dearth of capable officers is so much felt.

As a result Wauntlal Rao was a fortune. The Chief C more than one taught his incompetency to the notice of Govt, and I am thereforo much happy to hear his present employment as the Jam Nagar Darbar even as a temporary measure.

Wauntlal Rao was at once relieved of his duties in June 1895 and allowed furlo on account of his intemperate habits. Dr Wolfram, in recommending him for furlo, suggested that he may, at the End thereof, be retired if necessary - the learn now no report as to his present habits - Assuming the burden of his remarks, he rendered

a term, eighth for pension, of
of 28 years 2 months
& 12 days up to 31 Dec
1891 — He then was, I
think, more than 50
yrs eighth senior. I
think, in the interests
of the public service,
he may well be
retained as supernumerary
& Inspector. — If
the Rules do not permit
of him being retained
beyond the attained his
55th year, which he
will in Oct/98, he
may be allowed retention
as 'quasi' till then

Not knowing any thing of how Mr Nanabhai Rao had been spending his furlough I am not able to make any specific recommendation about him. He was about 15 months to complete 53 years but has put in [illegible] service & I suppose it will be fair to deal with him without giving another time; but at the same time I cannot conceal that the public interests require his being placed on a sort of probation before being put in an independent position in a Mofussil Station. We [illegible] suggestions are these

(1). If Mr Vyayarathna Row is ready to leave at once Mr Nanabhai may relieve him & continue in

change of two months without [illegible] this may therefore & Hewitt would ask the [illegible] return to [illegible] critical gaze of the bar & others & we will hear the [illegible] after this period.

(2). If this is not the I would but him as a General duty Officer under Mr Madrid & ask for a report after three months. The first course is better.

We have two plate openings in doors of the new wing as a refuge for incurables. & I would be very [illegible] increase this number. Both in his own interest & in that of the service & it would not be amiss before Mr Nankivell was if such a course is decided upon.

I received your note of
todays date just now. In reply
I beg to state that as I personally
represented to you it was my
intention to remain in Service
for a short time i.e. until I
completed my 55th year, which
will be in October 1898. At
present my pensionable service
is nearly 32 years including
the Madras service. In
accordance with the Rules in
force in this Province only

three

three years of the latter is counted towards pension, as I did not elect to pay Contributions at the time of rendition. With these three years I now count little more than 25 years. My appointment as Sub Ast Commissary Officer on Rs 700 has been abolished. I beg that the Govt will be graciously pleased to permit me to retire on my pension as I must fully under the Rules applicable to the case of an officer, whose appointment is abolished, instead of subjecting me for medical examination. I shall feel very thankful if my case is so dealt with.

Referring to the Secty's queries on the Comptroller's DO regarding Mr Nankal Rao's pension, the following is submitted.

The Council Resolution d: 2/7/97 retiring Mr Nankal Rao (Copy put up) ~~is in the~~ was as follows:—

"That Mr D. Nankal Rao, Sub Dn "Officer, be retired on Compensation "pension."

The order to the Comptroller (No: 378-79 d: 10 July 1897) was in the R. 119 same terms.

The Council papers on the subject containing the remarks of the Councillors are submitted. There is nothing in writing to show ~~that~~ why Mr N. was retired on Compensation pension. But it is believed that it was due to the fact that the pay of the Sub Dn Officer Sagar Dist: was formerly Rs: 700 was in July 1895 reduced to Rs: 600 (with a Malwad allowance of Rs: 100).

Copy of Resn d: 2nd July/95 put up-

The Comptr Genl may be informed that owing to reduction of pay of the ~~Office~~ Sub Dr Officer, Sagar, Mr Nanakal Rao was fetured on Compensation pension—

As regards the question of the British Govt ~~of~~ bearing a proportionate share of pension the file of papers on the subject put up. The papers, as ~~sent~~ sent to me by the Office, were in great disorder—I have now had them properly arranged & made into Open files—Hence some delay in the submn of the papers.

The Advocate General has not as yet taken any objection to bearing a proportionate share of Mr Nanakal Rao's pension—

1/5/98.

In one case he did write it—In a subsequent case he withdrew it & said that his former ruling was erroneous—

Comptr Ltr No. 935 d: 9 Augt 98
re Mr Nanda Rao's pension

In his DO dated 11th April 98 the Comptroller asked for instructions as to how he should reply to the Accountant General, Madras on the question whether Mr. Nanda Rao's retirement was "on abolition of his appointment "in order to bring his case "under Compensation pension".

In reply he was informed that - officially speaking Mr. Nanda Rao was retired on compensation pension, but the retirement was chiefly ordered on other grounds unconnected with the abolition of his appointment.

The Comptroller does not appear to have referred to the Secty Genl in the above letter. He stated - "I have "satisfied myself that the "conditions prescribed in "Art. 471 of the Civil Service Regns "have been fulfilled."

If the British Govt decline to pay their share of Mr. Nanchal Rao's pension under these circumstances the question of giving the whole pension from the Mysore State will be considered by Govt.
